To Whom It May Concern

Re: Papillon Foundation

This letter serves to confirm that Computer Society South Africa (CSSA) has been associated with the Papillon Foundation (www.papillonfoundation.com) in the South of Johannesburg for more than three years.

CSSA is proud of this association and fully supports and endorses the myriad good works and outreach projects that Papillon has been involved with for a number of years, providing work opportunities and, most importantly, hope, for the displaced, unemployed and destitute people of Johannesburg South.

We particularly acknowledge the personal dedication, commitment and involvement of Stephen and Marian Smith, who have been working tirelessly to improve the fortunes of those less fortunate than ourselves by striving to ensure that they are clothed, fed, educated and trained to be productive members of society.

Yours faithfully
